

2010 Region 5 Hybridizer's Award Ballot

History: The Georgia Hybridizer's Award was created in 1969 to recognize outstanding efforts of hybridizers in Region 5. Members of Region 5 vote on the award each year. The Regional President is responsible for tallying the votes and presenting the award each year. On September 13, 2003, the membership voted to change the process from Region 5 members selecting a winner of their choice at random to a system where the membership can choose a cultivar on a ballot from choices made by Region 5 members. The ballot will also have choice of a write-in candidate if one chooses not to vote for the hybridizers choices on the ballot. This process mirrors the awards systems of the AHS.

Rules: The rules for eligibility are 1) The cultivar must be registered by a Georgia Hybridizer; 2) The cultivar must have been registered in the last ten years; and 3) The cultivar must not have won the award in previous years.

Procedure: A nomination form will appear in the fall/winter newsletter where hybridizers are invited to nominate one or more of their daylilies for the Georgia Hybridizers Award. Hybridizers have a choice of what they can nominate or not even to nominate a cultivar at all. The ballot will appear in the spring/summer newsletter. The award will be presented by the Regional President at the fall meeting as it has been done in the past. The Regional President maintains overall responsibility for the award procedures.

-----Sign your name below and mail the ballot below by August 1, 2010 to: -----

Barbara Kirby, Regional President, 102 Haag Drive, Warner Robins, GA 31093
