

Hello Region 5 Friends,

I hope you are continuing to enjoy the daylilies in your garden. We had a rather good turnout for the Pop Poll Ballot of the nomination for your top 5 favorite flowers to grow. We had 13 that received 3+ votes and the highest receiving 6 votes. All the others received at least 2 votes and all others 1 vote. Therefore, the list is 35 instead of 25. This was the fairest way we could do this.

If anyone would like to see the ballots sent in or the count, I will have this with me at the Regional meeting October 1st.

You have all of August and until September 23 to vote your choice. The sooner you vote the better for me in getting the count together. After I have received all ballots and completed the count, I will be working on a PowerPoint of all the flowers and the winners. The winners will be announced at the October 1<sup>st</sup> Regional meeting.

## 2022 Region 5 Popularity Poll Ballot

Here are the top **35** of your favorite daylilies for the **NEW Region 5 Popularity Poll** Ballot. Please vote for your top five from the list below. (13 had 3+ votes and the rest had at least 2 votes)

The Popularity Poll is intended to be an individual's own personal vote for the member's favorite daylilies. Independent voting ensures each member's vote will carry equal weight in choosing the Region's most popular daylilies. **Group voting and other activities which influence the poll's outcome are not allowed and may result in those ballots not being counted.**

**Deadline for voting is September 23, 2022.** This will allow for the winners list to be prepared and winners announced at the October 1<sup>st</sup> Regional Meeting.
